## DISCIPLINE ARRANGEMENT

If Executives Committee (EC) is of the opinion that the conduct of any member of the Society is a subject proper for enquiry as to whether, in the interests of the Society and or the public in general, there are grounds for his expulsion, suspension or censure, or if ten or more Corporate Members draw up and sign a proposal for the expulsion, suspension or censure of such a member on any ground whatever, which is not in the opinion of the EC of a frivolous nature, and shall deliver the same to the President, the EC shall make such enquiry as they deem adequate.

The EC may, if they think fit, temporarily suspend the member from membership of the Society pending such enquiries as aforesaid.

The EC has for the purpose of exercising its disciplinary powers and (without limiting the scope of such powers) delegated these powers to an independent Professional Practice Committee.

The EC will;

(a) set up an Appeals Committee to hear any appeal by the member concerned of the Board's Professional Practice Committee's disciplinary decision; and

(b) issue Regulations from time to time to regulate the procedure of the Professional Practice Committee and Appeals Committees and to determine their constitution and the manner in which the disciplinary process shall be conducted with a view to giving the member concerned a fair hearing and to do such other things as shall be thought by the EC to be desirable.

The above Committee shall be formed by appointment by the EC as it considers fit from among the Corporate Members of the Society provided always that no Corporate Member may serve concurrently on more than one such Committee. Subject to any such regulations made by the Board, such Committee may regulate their own procedure.
